performance, quality and reliability

Foster FlexDrawer Counters | Market Leading

Image: FFC3-1

Quick fact:

> Drawer runners can hold up to 200kg offering unrivalled drawer performance as standard

Quick fact:

> FFC3-1 designed to accommodate hot cooking equipment such as broilers, griddles and induction hobs, allowing easy access to food at the point of cooking

Everything you would expect from a Foster...

Innovation

- > Clever design allows you to change drawer temperature from fridge to freezer at the touch of a button
- > Advanced refrigeration system design ensures the cold air gets to where it is needed
- > Effective design means the counter can be used for storage whilst the robust worktop can be used for food preparation

Quality and Reliability

- > British manufactured - built in our world-class UK manufacturing facility certified to ISO9001 quality and ISO14001 environmental standards
- > Manufactured using superior 304 stainless steel - the 'gold standard' in performance finishes meaning quality is assured
- > Cutting-edge product development, design and manufacturing

Unrivalled Performance

- > The performance of the FlexDrawer can be adjusted according to changes in menus and kitchen layouts. It's a fridge, it's a freezer... or both!
- > Works efficiently in hot kitchens, operates to ISO Climate Class 5 – up to 43°C Ambient
- > Intelligent controller with easy to read digital display ensures even temperature retention throughout, keeping your food fresher for longer

Taking the travel out of food preparation

User friendly controls with LED temperature display

Image: FFC6-2

Quick fact:
> 3 x GN1/1 150mm deep pan storage per drawer maximises available storage space

Quick fact:
> Bottom mounted refrigeration system positions drawers at an easy to reach height for operators

...and more.

Energy Efficiency

- > Energy efficient and environmentally friendly hydrocarbon (R290) refrigerant as standard
- > Energy saving 'hot gas' defrost utilises waste heat from the refrigeration system, saving energy in the process

Hygiene and Safety

- > Fully removable, robust ABS drawer bins for ease of cleaning
- > Lockable drawers for maximum safety and security
- > Four lockable castors ensure the product stays in place, even when accommodating heavy cooking equipment

Affordability

- > Available on interest free credit allowing you to simply spread the cost of your new FlexDrawer over a full year instead of a one off up front outlay†

After-sales Support

- > There when you need us for complete peace of mind. 2 year parts and labour warranty as standard†

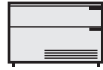

†UK only. Full terms and conditions available on request.
