Features & Benefits

Foster's Prep Station range offers a universal solution to the key area of food preparation of pizzas, sandwiches, salads, starters, desserts, or ethnic dishes

- High Quality 304 Stainless Steel Exterior Build Quality
- All pans and the worktop are within comfortable reach - an important health and safety benefit
- The inner catch-tray in the pan section prevents food from falling into the storage area
- Efficient Refrigeration - Already best in class, new airflow design has further improved performance
- Rear mounted refrigeration maximises storage space and makes it easily accessible for servicing
