Features & Benefits

Fosters Pan Chillers are designed to conveniently turn any work surface into a flexible, refrigerated preparation counter or server. The versatile Pan Chiller range can be mounted or free standing, whilst the hinged cover allows for safe storage of ingredients with the flexibility to stay open during preparation, thereby making the ideal solution for assembling pizzas, sandwiches, salads and desserts.

- Hinged Stainless Steel Cover fitted as standard, for safe storage of ingredients and ease of access during preparation and cleaning.
- Our flexible system accepts many different combinations of Gastronorm pans to suit each requirement.
- Foodsafe stainless steel is used throughout the units construction for a hygienic and robust finish.
- Fully microprocessor controlled, for fail-safe temperature control.
- Rubber feet are fitted as a standard to allow secure placement. Optional wall shelf bracket fixings are available to allow for positioning against a wall without a counter underneath.
