F202-150

F202 Modular Ice Cuber Unit & SB150 Bin

Temperature

Ice Maker | N/A °C

Dimensions

1670 x 850 x 810 mm HWD

Capacity

215 Capacity (Kg) 24Hr

Features and Benefits

The Foster Ice Maker Range offers high output, top quality ice production, excellent build quality, stylish good looks and a superb choice of models - all in one outstanding value-for-money package

- Innovatively designed with new user-friendly electro-mechanical controls to ensure reliability
- The models also incorporate a condenser thermostat, which ensures a full harvest of cubes
- Produces ultra cold square cubes that last longer in the glass, ice bucket and the machine's storage bin
- High output and storage capacity with dedicated storage bins
- The new flush system ensures clear ice free from impurities and eliminates the risk of lime-scale
